

Linkx announces relocation to new factory

To our valued business partners:

Due to the growing demand for our business, and to ensure the provision of the highest quality products and the most efficient services, we are happy to announce that we will move to a new factory on August 16. The new factory will expand its manufacturing and production facilities and strengthen overall management.

We will continue to devote ourselves to the development of new products and the production of existing products. Your support and continuous partnership are very important to Linkx. We thank you for everything you have done and look forward to many new opportunities for continued growth.

Since the new factory is in another district, please note that we will also change the company phone number and fax number.
